

**Walk-in Hearing Aid Clean & Check  
Day For New and Existing Patients  
Apr 26, 2019  
9am-12pm**

**No Appointment Necessary!**

The care and maintenance of your hearing aids is an important part of gaining the highest benefit from your devices. We recommend a clean and check every 6 months. Come to Tustin Hearing Center to have your hearing aids cleaned and checked by one of our Audiologists or Audiology Assistants! Our clean and check will include\*:

- Thorough clean and check of your hearing aids
- Tube, wax guard and dome changes
- Microphone cleaning
- Sanitization of your hearing aids
- Battery check
- Check and verification of all components
- Counseling on cleaning and maintaining your devices at home

\* Offer excludes parts, repairs, programming and hearing tests. Restrictions may apply.
